MRS. ROWLAND LOWRY

It is with most profound respect and gratitude that we, the members of the Senior Class of 1961, dedicate this publication of THE BELL to Mrs. Rowland Lowry. As head of the English department, she has enabled M.B.A. to produce English scholars who have not only a wealth of knowledge, but the capacity to think, as evidenced by the success of her graduates in later life. We will long remember and revere Mrs. Lowry for her soliloquies and discussions on life, for her understanding aid, for her cheerful manner. Although realizing this reparation inadequate for her services, we dedicate this annual to one who has dedicated her life to us, Mrs. Rowland Lowry.

DEDICATION

ION

FOREWORD

This book represents a year in the life of a great institution. We hope that it gives an accurate picture of all phases of school life: athletics, organizations, and scholarship. Indeed, we will look back through these pages to find our successes and failures which taught us the lessons of life. Thus, this publication is invaluable to us as a reminder of the past. No one could ever determine the broad scope of college preparation which we have received here. It is quite easy, however, to see the results. We entered as boys; we leave as men. This truth is the basis of Montgomery Bell Academy.

FACULTY

... they make us become men.

The class, unlike most organizations, has no set purpose or goal; it is merely a grade level of students in the school. But the class is the most effective organization to which we belong, acting as an ideal segment of society in which we learn to blend our personalities. As members of our class, we have studied and practiced the most important lesson of life: building enduring friendships as we become men.

CHEERLEADERS

Bill Wade speaks at Father-Son Banquet.

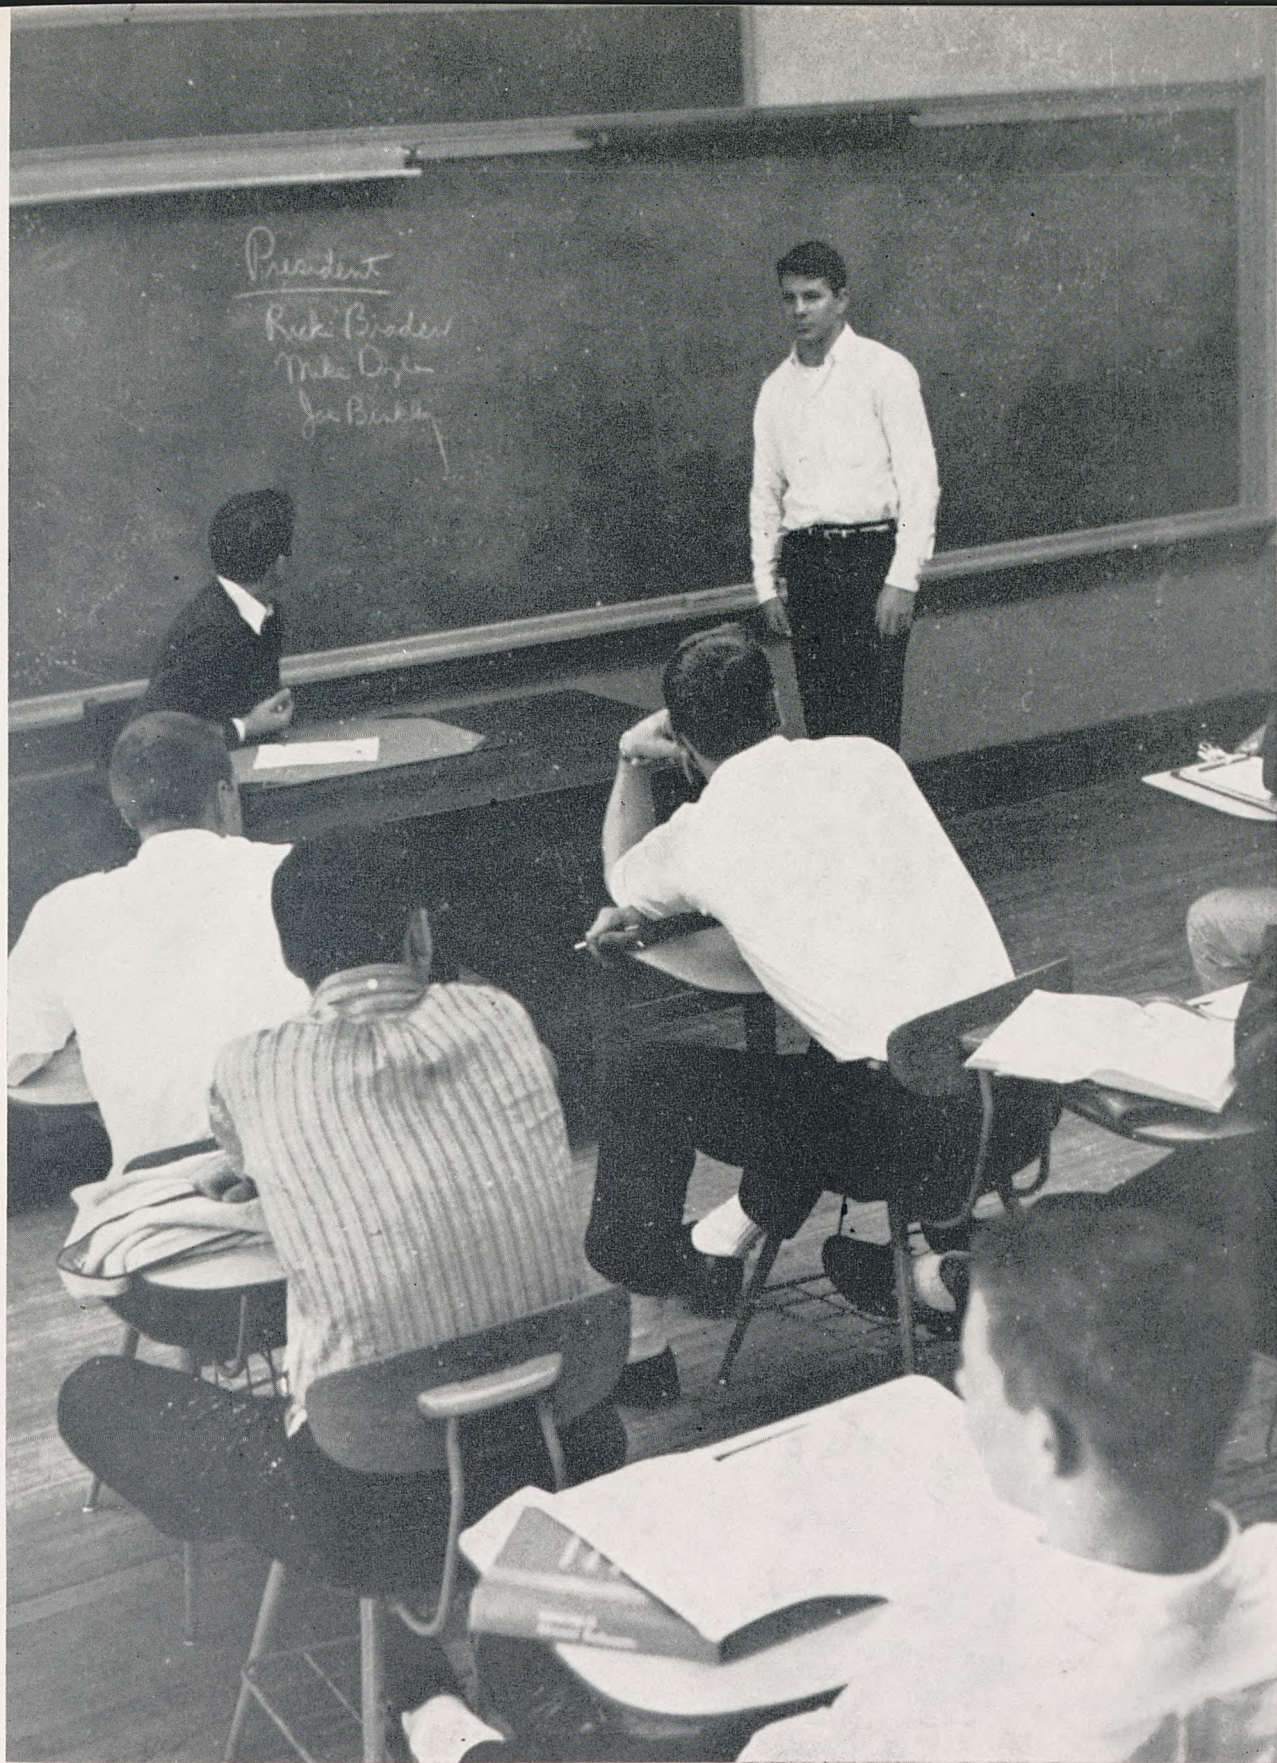

One of the main factors in the success of M.B.A. as a top preparatory school is the existence and promotions of its organizations. As a boy enters M.B.A., he is usually very inexperienced in knowing how meetings are conducted. But by becoming an active member of certain clubs, he will gain essential experiences which will prove invaluable to him in his later life.

In speech clubs, he learns to think clearly and speak effectively on his feet. In other clubs, such as the Key Club or the Hi-Y, he learns to give some of his own ideas about a problem as well as listen to the ideas of others, thus broaden his viewpoint on certain matters. He learns how to conduct himself correctly in serious moments as well as in humorous ones. Through membership in the Student Council or the Honor Council, a boy assists in the government and disciplinary troubles of the school. Through active membership in organizations, he acquires skill in leadership, and most important of all, he builds enduring friendships through the planning of social activities and charitable projects.

All of these things which a member learns will benefit him greatly as he grows older and gets out into the world. Thus since his first day at M.B.A., he has matured greatly and leaves the school as a man.

ORGANIZATIONS

“TOTOMOI”

Totomoi was organized in 1954 by Dr. R. L. Sager with the assistance of Inman Fox, Robert McNeilly, and others. The purpose of this organization is to honor students who have made outstanding contributions in the fields of scholarship, publications, students government, athletics, and organizations. To be “tapped” for membership in Totomoi is the highest honor that a boy can achieve while attending Montgomery Bell Academy.

Its membership is composed of Seniors; however, boys may be “tapped” at the end of their Junior year to serve as the following year’s officers. The officers consist of a President, a Vice-President, and a Secretary-Treasurer.

The primary purposes of Totomoi are: (1) To promote new student activities and traditions; especially, to further high moral character and Christian development. (2) To encourage, support, and otherwise increase student interest and participation in all existing activities and traditions of Montgomery Bell Academy. (3) To honor by recognition of their merit outstanding students, alumni, and faculty of Montgomery Bell Academy.

Totomoi for 1960-61 consisted of: President David Walker, Vice-President Tommy Worrall, Secretary-Treasurer Allan Terry, and members Doug Ligon and Morgan Kousser.

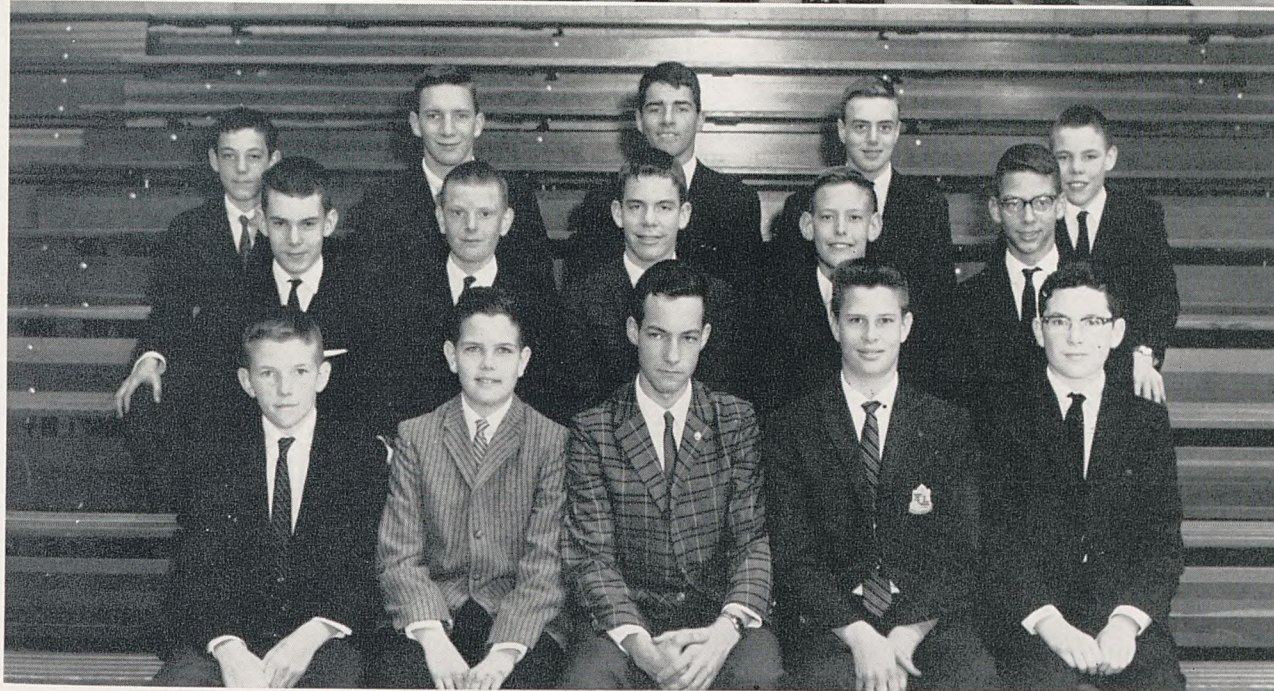

ALLAN TERRY

SENIOR HONOR SOCIETY

This national society honors the outstanding students in all high schools throughout the country. It serves as a criteria for those students who strive for academic achievement. To become eligible at M.B.A., a boy taking four subjects must have three consecutive semesters of a ninety or above average;

those boys taking five subjects are required to have an eighty-eight average, and seniors an eighty-five average. It is indeed rewarding when a boy's hard work results in his election to this national society.

The Junior Honor Society consists of those boys who have shown outstanding academic achievement in the Seventh, Eighth, and Ninth grades. Its members are boys who have

three consecutive semesters of a ninety or above average. To be elected to this society is a great honor and represents many hours of hard work.

JUNIOR HONOR SOCIETY

STUDENT COUNCIL

The Student Council was designed to allow each boy in school the opportunity to participate in the government and other activities of the school. The authority of the Council extends from disciplinary problems

to the improvements and changes on the campus. The Student Council consists of the officers of the Freshman, Sophomore, Junior and Senior classes.

First Row: Lentz, Vaughn, Ezzell, Billings, Scarborough, Terry, Rau. *Second Row:* Braden, Stevens, Binkley, Mazach, Husband, Walker, Ligon.

HONOR COUNCIL

The Honor Council is now in its sixteenth year at M.B.A. Its purpose is to promote honor and Christian character among the student body and to punish all violators of its constitution. The council is patterned after that of the University of Virginia, which was one of the first schools in the nation to adopt the idea of holding students responsible for honesty on tests.

Representatives to the council are elected on a class basis; four from the senior class, three from the junior class, two from the sophomore class, two from the freshman class and one from the junior school. The officers this year are Rhoads Zimmerman, president; Tommy Worrall, vice-president; and Tony Todd, secretary-treasurer.

First Row: Neel, Thompson, Zimmerman, Sadler, Moorehead. *Second Row:* Daniel, Mellon, Todd, Doyle, Worrall, Purdy, King.

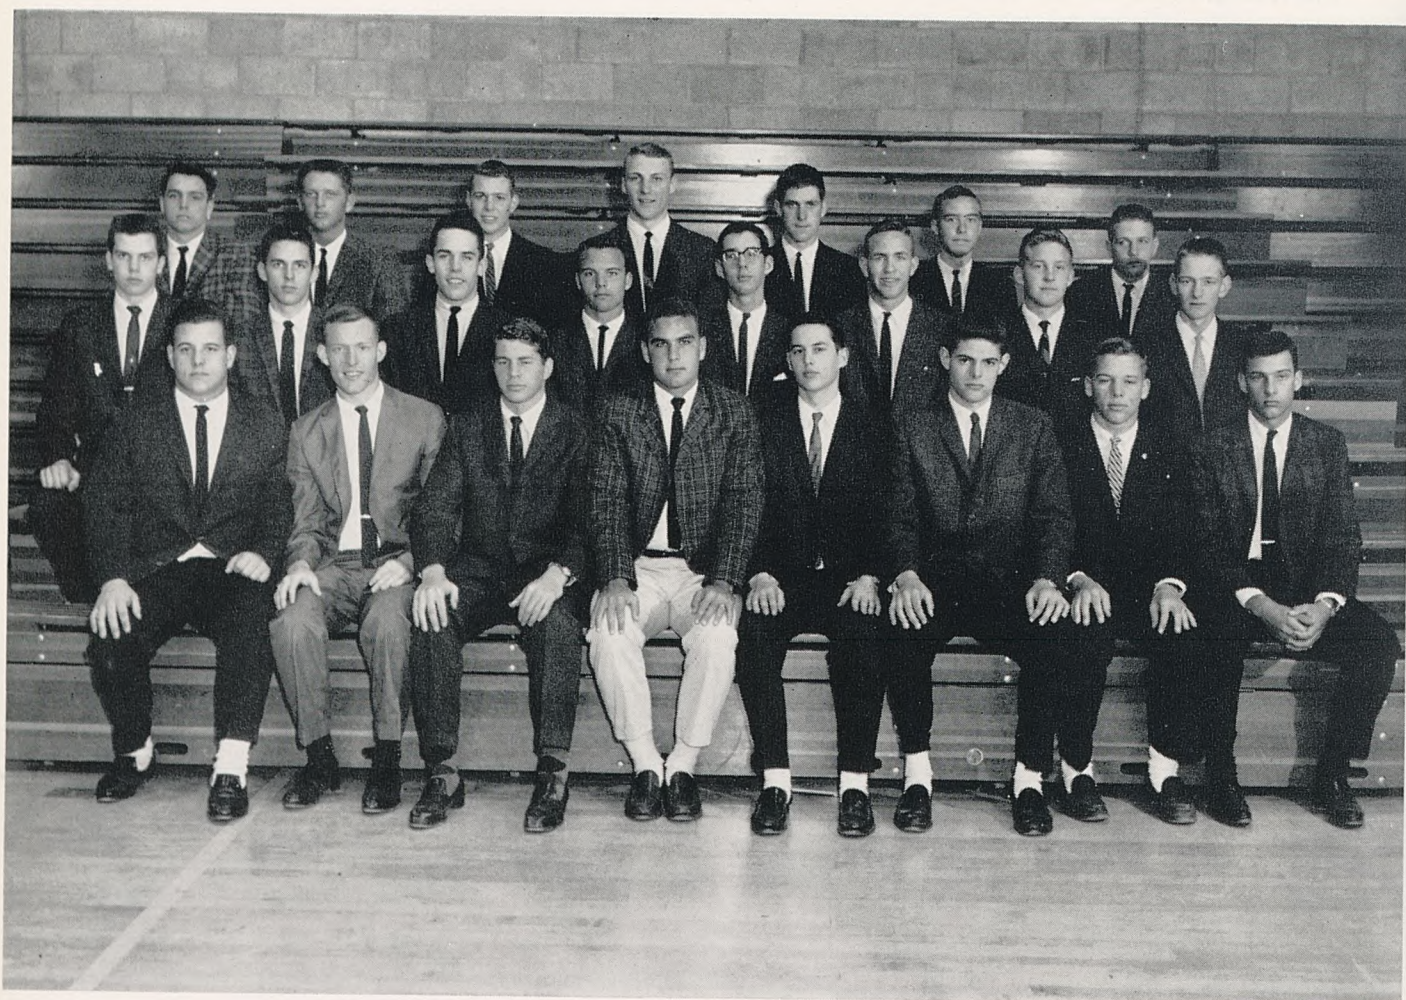

KEY CLUB

The Key Club, now in its fifteenth year at M.B.A., consists of sophomores, juniors and seniors, chosen for their leadership, outstanding character, and scholastic ranking in the top third of their class. Under sponsorship by the Nashville Kiwanis Club, the purposes of the Key Club are develop leadership and provide experience in working with others for the community.

The Club this year has sponsored two school dances and put on a raffle to raise funds for a gift for the school. Also it has helped several organizations such as Big Brothers. The officers are Doug Ligon, president; David Walker, vice-president; Dick King, secretary-treasurer; Tommy Worrall, Senior Representative; Joe Binkley, Junior Representative.

First Row: Terry, Walker, Ligon, Worrall, King, Binkley, Evans, Lackey. *Second Row:* Stevens, Scarborough, Mazach, Zimmerman, Doyle, Bryan, Gambill, DeZevallos. *Third Row:* Braden, P. Francis, Ozier, Dilley, Travis, Daniel, Purdy.

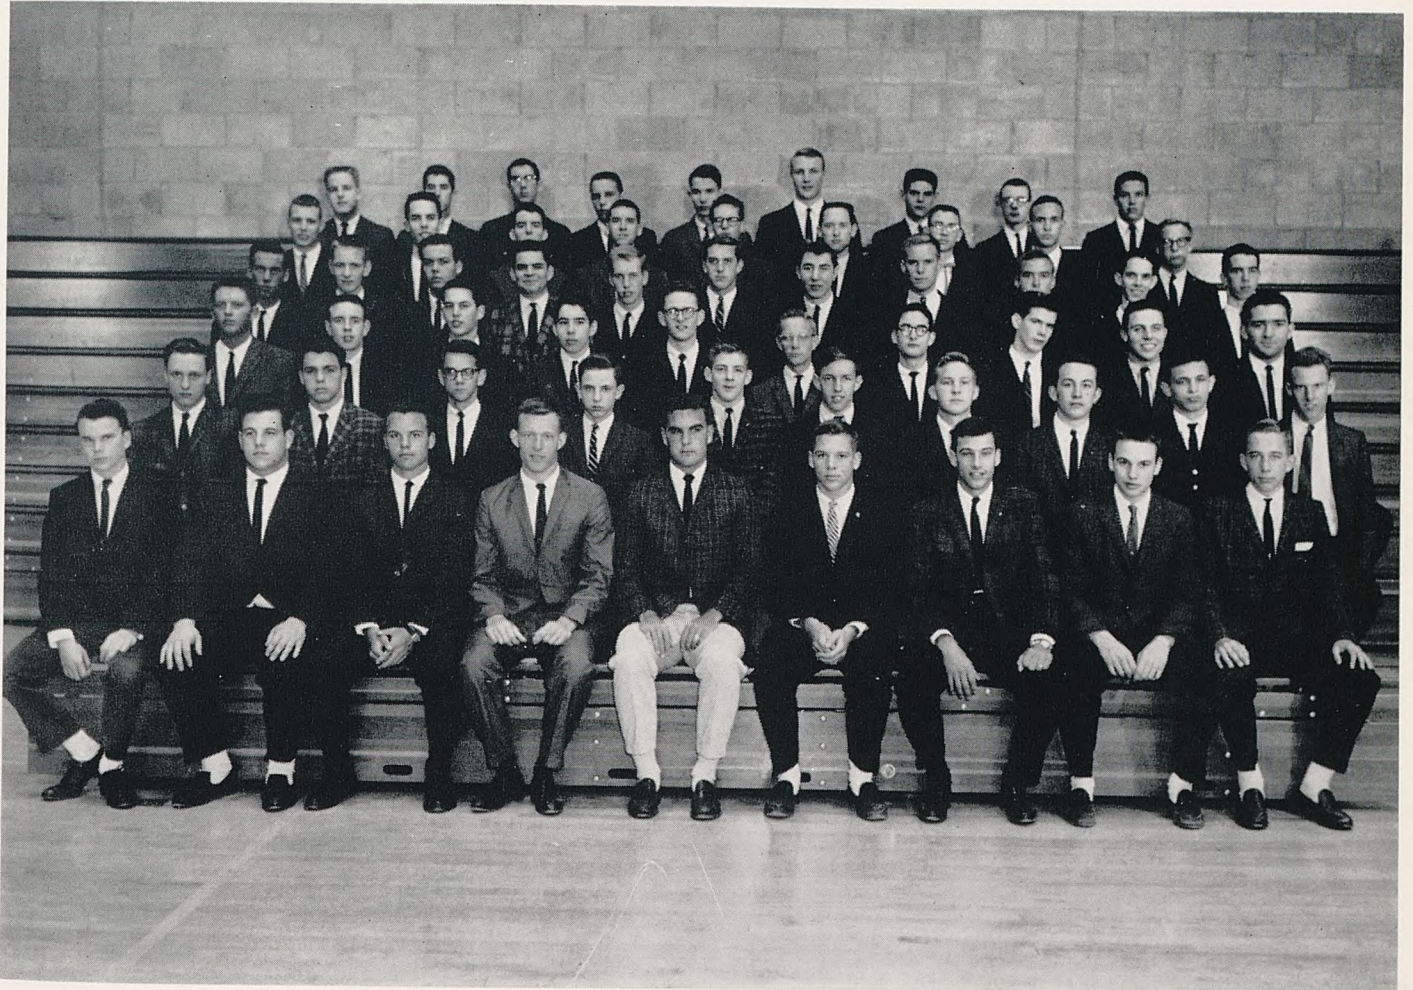

Hi-Y CLUB

In its eighth year of activity, the Hi-Y has again firmly established itself as an integral part of M.B.A. The purpose of the club, which is sponsored by the Y.M.C.A., is "to create, maintain, and extend throughout the home, school and community, high standards of Christian character." Any sophomore, junior or senior is eligible for membership in the Hi-Y.

This year's club has had several projects around school, has had a basketball team in the Hi-Y league, and has sent a delegation to the Youth and Government Assembly. The officers are Allan Terry, president; David Walker, vice-president; Tommy Worrall, secretary-treasurer; Rhoads Zimmerman, chaplain.

The Forensic Club is under the direction of Mrs. Norton Campbell. Its purpose is to spark an interest in public speaking and others forms of oratory in the students body. Each member of the club is required to participate in either four minor activities such as giving the assembly program, or two minors and one major activity such as

entering the Junior-Senior Speech Contest, or entering contests sponsored by civic organizations. The officers of this year's club are Allen Terry, president; Morgan Kousser, vice-president; Dee Metcalf, secretary-treasurer; and Allen McDaniel, program chairman.

First Row: McDaniel, Kousser, Terry. *Second Row:* Harwell, R. DEBATE TEAM

In its fourth year under the guidance of Mrs. Norton Campbell, the M.B.A. Debate Team has upheld its fine record in the Southern Division again. Finishing third in the contest held at Emory University, the negative team of Morgan Kousser and John Chaffin showed fine ability. The affirmative team, composed of two freshmen, Mike Moody and Mike Brandon, debating against seniors at Emory won two out of

five debates and showed great promise in store for future years at M.B.A. The Debate Team has been quite successful this year.

The M.B.A. team having taken part in the Tennessee State and Drama League proved itself extremely capable in an activity requiring clear thinking, logical reasoning, and forceful speaking.

Chaffin, Kousser, Moody, Brandon.

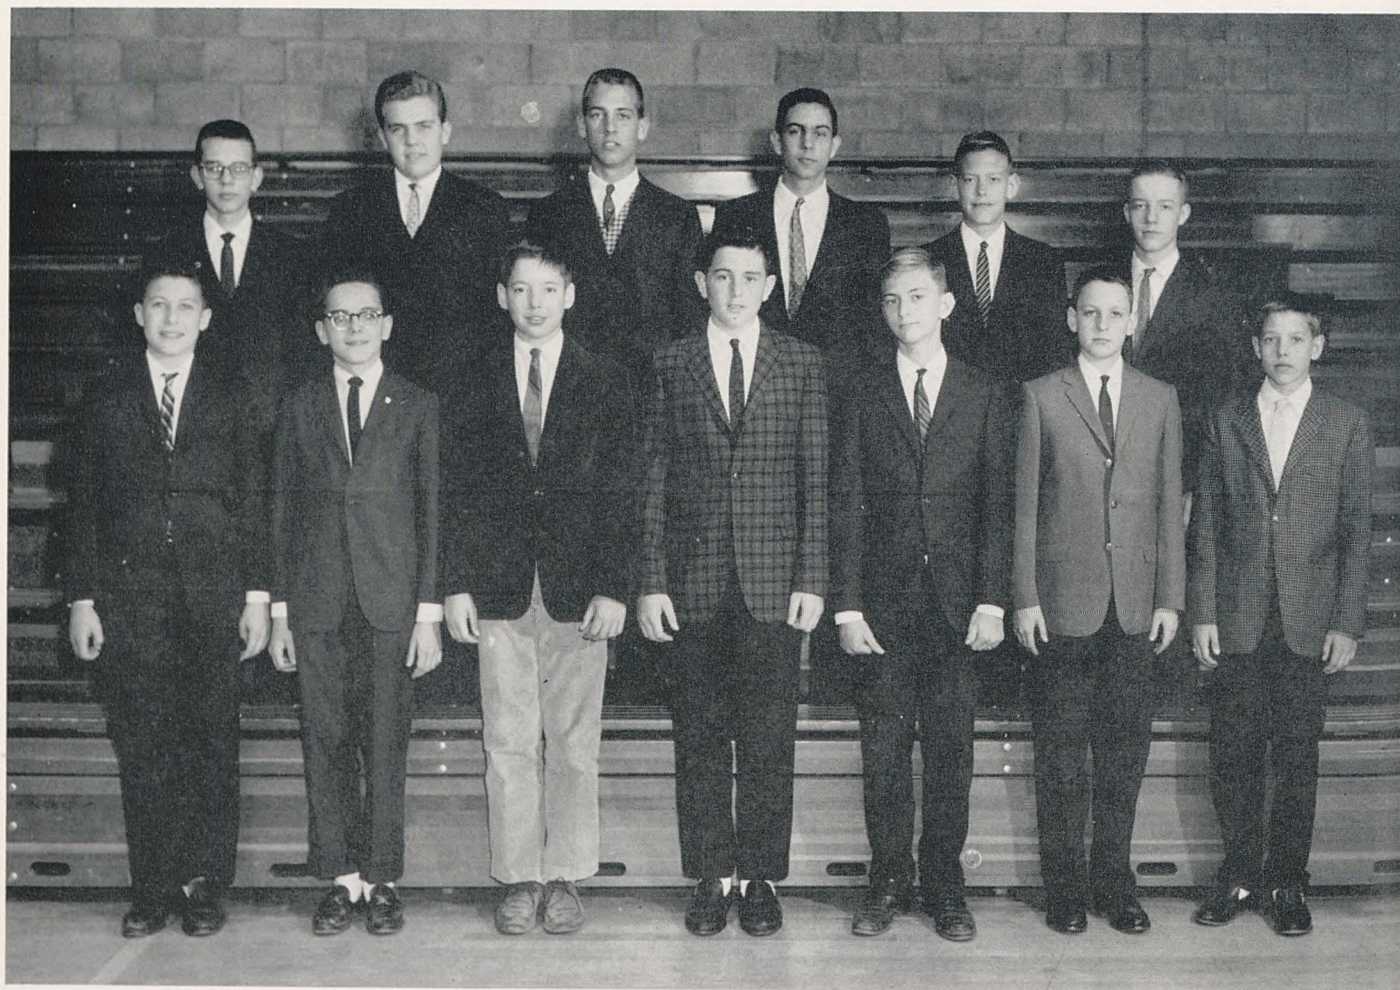

GLEE CLUB

The Glee Club has continued its standing another year as one of the evidences of culture at M.B.A. Under the guidance of Mrs. Louis Nicholas these boys have furthered their talents in singing music from

Broadway hits. The officers are: President, Wilson Wattenbarger; Vice-President, Bill Lukes; Secretary, Alan Householder; Treasurer, David Nicholas; Librarian, George Silvey.

SONS OF M.B.A. ALUMNI

M.B.A. is proud of its heritage and traditions which have been handed down through the generations. Many men who at one time attended M.B.A. have sons and relatives who have followed after them.

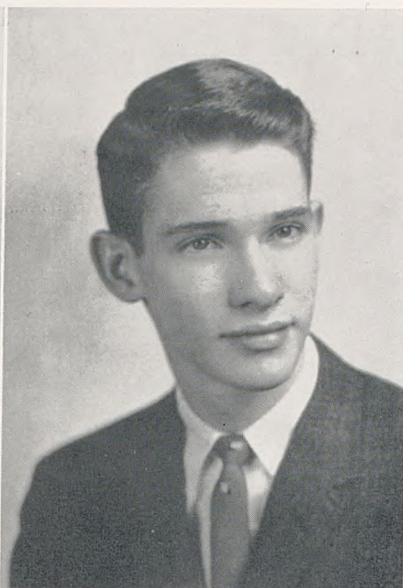

This year we would like to honor the boys whose fathers have also attended this school. They are part of the great tradition which is now M.B.A.

Under the leadership of Coleman Harwell, Editor-in-Chief, and Charles Ransom, Business Manager, THE BELL has recorded one of the school's finest years.

We are extremely grateful to Mr. Albert Bachleda, faculty advisor, and to H. W. Griffin of McQuiddy Printing Company, who have boosted the progress of this year's annual and have improved its contents for the sake of the student body.

It's All In

The State Of Mind

If you think you are beaten, you are;

If you think you dare not, you won't

If you like to win and don't think you can,

It's almost a cinch you won't.

Life's battles don't always go,

To the strongest or faster man

But sooner or later the man who wins,

Is the fellow who thinks he can.

Think big and your deeds will grow;

Think small and you'll fall behind

Think that you can and you will,

It's all in the state of mind.

SPORTS AND THE MBA MAN

M.B.A. builds men in two ways which are equally important, for one cannot exist successfully without the other. M.B.A. builds men mentally and physically. The sports program at M.B.A. is designed to keep the Montgomery Bell student in top physical condition to aid in the growth of outstanding mental ability. In the business world today, a graduate must have the physical as well as the mental ability to complete his work or he will fail to achieve success in any profession. Toward this end the Montgomery Bell sports program is being projected by coach Tommy Owen and coach Charlie Matlock, both very dedicated and capable men who are constantly concerned with the welfare of the M.B.A. student. The Montgomery Bell coaches labor continuously to see that the M.B.A. student is not only the best mentally equipped graduate but also the best physically equipped graduate. We, the students of M.B.A., will always be deeply in debt to our coaches for their part in making men of the Montgomery Bell graduate.

When the M.B.A. student leaves to further his education in college, he must not forget that only through his participation in studies and athletics at Montgomery Bell Academy was a successful high school life possible; and only by utilizing the same resources can he have a successful college life and, eventually, a successful business life.

FOOTBALL

The Montgomery Bell football season started in September with the *Crimson Tide* ready to challenge any opponents. The Big Red deserves the praise of every Montgomery Bell student; for even in the face of overwhelming challenges like Litton, Ryan, and Hillsboro, the *Crimson Tide* stayed in the game and kept fighting even when failure seemed evident. Throughout the season the M.B.A. team tried to play the best game possible; and even though they met with failure sometimes, their fighting and persistence finally paid off in the games with Gallatin and Springfield in which the Big Red reached the coveted goal of victory. As long as we of M.B.A. can look back and say that we tried our best, we can look back with pride on a successful football season.

As the anonymous poem states, we must keep the right spirit and not think only of winning the game but of how well we played the game. Obviously the Big Red did not forget their duty to the school and the students, for they never showed discouragement but continued to fight for Montgomery Bell. Of all the qualities a school can possess, the two most important are a fighting spirit and sportsmanship. If we of Montgomery Bell can truly say that we possess sportsmanship and that we played the best game possible, we have won every game we have played and we will win every game we play in the future. Always may we of Montgomery Bell do our best and play with honor in every game we play.

BASKETBALL

After an extremely long and rigorous football season, the Big Red basketball team got off to a slow start by losing the first game to Howard. The outlook finally cleared for M.B.A. with the victory over T.P.S. in the season's sixth game where Warner, Dilley, and Doyle began to show their potentialities. Finally the Big Red met up with Howard a second time and, with the playing of Warner and Doyle, defeated them. The full potentialities of the Big Red players was only realized in a few games against T.P.S., North, and Howard in which the *Crimson Tide* finally swept to victory.

During the course of the season the successes of the varsity squad were overshadowed by the eighth grade team which succeeded in winning over twelve games in succession. Seemingly, there is an excellent varsity basketball team coming up from the eighth grade for the future of Montgomery Bell.

WRESTLING

Wrestling is one of Montgomery Bell's newest sports which, started in 1959 by Mr. Carter, has developed a successful varsity squad. Since then wrestling has been accepted by the students with tremendous enthusiasm and interested support. Not only is wrestling new at M.B.A., but it is also considerably new in the South. However, the importance of wrestling as a spectator sport is growing swiftly, and it is becoming one of the most interesting sports to enjoy interscholastic competition. It is certainly believed that wrestling will eventually become one of Montgomery Bell's sports programs, both by the students and the interscholastic leagues.

Already, the M.B.A. squad with such men as David Walker leading it has shown itself to be very proficient against such teams as C.M.A. and Castle Heights. Hopes are to greatly expand this program in the future.

RIFLE

The rifle team had the most successful year in its three-year history. With the instruction and leadership of Staff Sergeant Richard Devon and Corporal William Cox, both of the United States Marine Corps, and Charles Ransom, captain of the team, this squad placed fourth out of eleven schools in the interscholastic tournament on March 25. In addition, Allen Kennedy, the highest shooter on the team, placed second out of fifty-five competitors in individual tournament standings.

For the first time the team members competed for the National Rifle Association ratings. Cam McCoy and Allen Kennedy qualified for the Expert Rifleman Award, the second highest in N.R.A. standings. Likewise, three other members—John Chaffin, Jim Lackey, and Charles Ransom—achieved the Sharpshooter Ninth Bar, which is the third highest rating.

TRACK

This year, the prospects are that M.B.A. will have another fine track team. Led by several lettermen, the Maroons will be a real threat in the *Banner Relays* and the T.S.S.A.A. District, Regional, and State track meets.

Already an M.B.A. record has been broken. Russ Dilley in qualifying for the *Banner Relays* threw the discus 142 feet 6 inches. Allen (Spook) McDaniel and John Stevens both have fine clockings in the mile run and high and low hurdles respectively. John has the fastest time in the N.I.L. in the high hurdles at the present time. Ric Mellon, at this time, has run the 880 just one-tenth of a second more than the best time in the N.I.L.

M.B.A.'s relay teams are holding their fine tradition of speed. The 440, mile, and two-mile relay teams all qualified for the *Banner Relays* with creditable times. Bobby Fox in the 100, Robert Orr in the 220, Mike Doyle in the 440, Tommy Corcoran in the high jump, Tom Scarborough in the broad jump, and Phil Husband in the shot put round out this versatile squad.

MIKE DOYLE

GOLF

The Big Red golf team under the direction of Dr. R. L. Sager has a full calendar of games scheduled for this year. With men like Frank Hutchison, Dee Metcalf, Rhodes Zimmerman, and Buddy Vaughn returning to the team from last year, the Big Red golfers look forward to a successful season on the green. Along with the Southern Tourney and various other meets, there are hopes to take the N.I.L. championship. The M.B.A. golfers are hoping to carry the entire season and finish by taking the interscholastic trophy at the end of the year. With such an outstanding team, Montgomery Bell can be sure of being well represented at the golf tournaments.

TENNIS

The Montgomery Bell tennis team coached for the sixteenth year by Mr. James C. Rule and comprised of veteran seniors Dudley Warner and Eddie DeZevallos, backed up by such veterans of the courts as Buntin, Clark, Lukes, and Braden, who are representing M.B.A. in tennis for their second and third years. Scheduled are Castle Heights and McCallie which the team hopes will lead to the N.I.L. championship and trophy for the sixteenth consecutive year. With the various tournaments at Atlanta, Memphis, and Chattanooga ahead, everything points to another successful year of N.I.L. competition for the Big Red tennis team.

BASEBALL

Coach Matlock's summer baseball campaign will probably prove successful this year. Already the Big Red have won five out of their first six games. The team is made up of freshmen, sophomores, juniors, and only two seniors.

Pitching comes from the arms of Dave Startup, John Mazach, Gordon Smith, and John Reed. Hitting power booms from the bats of Spike Hupka, Paul Francis, and John Myhr.

Already this year the team has enjoyed one of its sweetest victories in years as they defeated West. The spirit on the team is the best it has been in years. Much is expected from this team, and the team hopes to add to M.B.A.'s spring sports success.
